

# MUHAMMAD USMAN

Baldia town Karachi | 0308 9696747 | [usmanhaneef412@gmail.com](mailto:usmanhaneef412@gmail.com)

**Objective:** Motivated BSCS undergraduate with strong interest in web development and software engineering. Skilled in frontend development and interactive animations, with hands-on project experience and an active GitHub portfolio. Currently expanding into backend development while continuously improving problem-solving and programming skills. Seeking opportunities to grow as a developer and contribute to building efficient, user-focused digital solutions.

---

## EDUCATION

- **Bachelors of Science in Computer Science (BSCS)**  
*Federal Urdu University of Arts, Science & Technology (FUUAST)*  
*Current Semester: 3rd*  
*Expected Graduation: [2028]*
- **Intermediate (FSc) in Pre-Medical**  
*Scholars Higher Secondary School*  
*Year of Completion: [2022]*  
*Percentage: 79%*

## EXPERIENCE

### Teaching Experience (School Teacher & Private Tutor)

- Taught Biology, Computer Science, Chemistry, and Physics in classroom and one-on-one settings.
- Developed strong problem-solving, communication, and analytical skills through teaching and mentoring students.
- Built patience, adaptability, and structured thinking, helping improve my ability to learn and develop software projects efficiently.
- This experience strengthened skills that now support my journey as a Frontend Developer, especially in logic building, debugging, and user-focused thinking.

---

## SKILLS

- Frontend Development: HTML, CSS, JavaScript, Responsive Design, GSAP Animations
- Backend Development: Currently learning backend development with basic knowledge of server-side development
- Version Control & Deployment: Git, GitHub, Project Deployment
- Programming & Problem Solving: Debugging, Logical Thinking, Code Optimization
- Cybersecurity: Basic understanding of cybersecurity

and web security fundamentals
